

ABRSM and Tomplay extend Licensing Partnership to include more instruments for musicians worldwide

Interactive sheet music platform expands to include ABRSM syllabuses for nine instruments: Piano, Flute, Clarinet, Saxophone, Violin, Viola, Cello, Double Bass, and Drum Kit.

LAUSANNE (SWITZERLAND), 05 September 2025

Tomplay, recognised for its innovative interactive sheet music platform, and ABRSM (the Associated Board of the Royal Schools of Music), a leading global music education charity, exam provider and publisher, are thrilled to announce the significant expansion of their successful licensing partnership making more ABRSM syllabus content available to musicians worldwide than ever before.

Following the successful launch of syllabuses for Violin and Drum Kit in 2024, the partnership now brings the latest ABRSM syllabuses for **Piano, Flute, Clarinet, Saxophone, Viola, Cello and Double Bass** to the Tomplay platform. This expansion gives students and teachers access to a wider range of ABRSM exam music through Tomplay's interactive platform.

Through Tomplay's unique learning platform, musicians can:

- Play along with **high-quality recordings by professional musicians**.
- Use **interactive scores** that scroll automatically with the music.
- Adjust tempo, loop passages, annotate scores, and even record themselves.
- Share annotations and recordings with teachers for collaborative learning.

Through this partnership musicians of all levels - whether preparing for ABRSM exams or simply looking to enhance their skills more broadly - can access Tomplay's powerful interactive features, making their practice more engaging and effective. Both institutions see this as an important step in supporting musicians globally, offering flexible, high-quality tools that align with modern learning styles.

This extension reflects Tomplay and ABRSM's continued commitment to making music-learning more accessible, enjoyable and inspiring for musicians everywhere.

"We're delighted to strengthen our collaboration with ABRSM by adding their latest syllabuses for seven new instruments to Tomplay. This partnership combines ABRSM's world-class music education expertise with Tomplay's interactive features, offering musicians everywhere a modern and effective way to prepare for their exams."
